ACCESS:

Bessaker is located on a small detour off "Kystriksvegen". By car the easiest way is to follow the E6 to Trondheim. From Trondheim you follow Fv715 to Flakk, from there across the Trondheim fiord by ferry to Rørvik, and then one and a half hours car journey through beautiful scenery to the coast.

If you come from the east (from Trondheim Airport), you may instead choose to drive north along the E6 to Asp, 7 km north of Steinkjer, follow Fv17 to Fossli at Namdalseid and there take the road to Osen, and drive Fv715 to Bessaker. This is an approx. 20-mile trip from the airport through varied cultural landscape and fine scenery.
